

How to use our homepage

(1) Our homepage is available in three different languages. You choose the language with a click on the respective flag.

(2) The main menu is situated at the top of the page below the slogan "At the foot of the Hovfjäll".

(3) Each main menu has a sub menu below the flags on the top left of the page.

(4) Links onto external sites and documents usually open on a blank window.

Have fun exploring our homepage!
